Non-Electric/Non-Semiconductor Research Activities Using Sulfur Hexafluoride at
Sandia National Laboratories, Livermore CA
Title 17 CCR 95345(d)

(1) Total quantity of sulfur hexafluoride *purchased* in 2014:

There were no purchases of SF₆ for non-electric/non-semiconductor research activities at Sandia National Laboratories/CA in 2014.

Total quantity of sulfur hexafluoride *used* in 2014:

There were no research activities conducted using SF₆ in 2014.

(2) Quantity of sulfur hexafluoride used for each research activity undertaken in 2014:

There were no research activities conducted using SF₆ in 2014.

(3) Description of each research activity:

There were no research activities conducted using SF₆ in 2014.

(4) Description of efforts undertaken to minimize sulfur hexafluoride emissions:

There were no research activities conducted using SF₆ in 2014
